27 Nov 1967, New Middleton, Ohio

Iron Pyrite - not melinite
as claimed by source. Did not
fall out of the sky as claimed.
Further, was in the winter for
some time, contrary to source's
statement who gave story to press
according to Mr. Ziegler. Ph. 58164
St. A. Surveys Bureau (over)

Source claimed a large quantity
of the story, but the
writing and the
top of the story
was not
checked

Conf. to C. G. G. G.

Source claims a large mass came out
of the sky, fell - the
water, and he picked this
up immediately
